How my committee process works: I receive applications for new hybrids, resolve questions with registrants, provide Certificates of Registration, prepare the materials for publication in our journal and once a year create a compound report for the ISHS/RHA.

The job description/committee process is up to date: yes

If no, I plan to have an update completed by \_\_n/a\_\_\_\_ and sent to Paul Susi.

Current Suppliers and Contact Information:

Activities/accomplishments during past year (2022): published 52 new hybrids

Green activities/possible actions: almost all documentation goes through email, no expenses.

Future plans/goals: over 100 more registrations in works
