

Seed Fund – Hybrids

Gussie Farrice, Seed Fund Co-Chairperson ~ Staten Island, NY, USA ~
<f.farrice@verizon.net>

It sure was great seeing a lot of my old friends.”

AS YOU ALL KNOW FROM MY PREVIOUS COLUMN, I was not planning on attending this year’s convention. However, I’m happy to report that the new vice-president of the Greater New York Chapter, Bruce Boyd, and his partner Paul, were kind enough to drive my husband and me to the convention on the last day. It sure was great seeing a lot of my old friends.

Karyn Cichocki was again kind enough before convention to drive to my home to pick up the Hybrid Seed Fund for convention sales. I hope that everyone was able to find what they wanted. I have just tended to my seed boxes, so keep those orders coming.

Recent donations from the following are gratefully acknowledged: Kelly Ates, Karyn Cichocki, Ray Coyle, Don Delano, Deborah Donaldson, Joel Egan, Betsy Gottshall, Jill Fischer, Hung Nguyen, Irina Nicholson, David Pierce, Susan Randolph, Michael Riley, Martin Steel-Brown, Bob & Dee Stewart, and MJ Tyler.

Please note the Seed Fund is in particular need of seed of *Streptocarpus* and *Primulina* as supplies of seed of both genera are very low.
