

The Gesneriad Society
Report of the Nominating Committee

Directors for the term 2026-2029

01 July 2026

Background

The annual election of Board Members is to take place at the Annual Membership Meeting during the 2026 Convention. Four current members of the Board have terms expiring in July of 2026. Hung Nguyen, Irina Nicholson and Leonard Re are completing their second three year term and are not eligible for renomination. We thank them for their six years of exemplary service!

Terri Vicenzi is completing her first term and is eligible for renomination; she is also 1st Vice-President, and to fulfill the duties of that office must remain on the Board.

The Nominating Committee, comprised of Ron Myhr (Chair), Paul Susi and Peter Shalit, has received suggestions for nomination and has reviewed numerous possibilities. After careful consideration it is proposing the following nominees for Director for a three year term; this proposed roster has been published in Gesneriads.
